I must tell you it has been a pleasure to ride the bus the past 2 weeks. Our morning driver on the 7:04 out of Tybouts Corner has been great; he's on time and gets us into Wilmington on time and is pleasant to the riders. Our afternoon driver 4:45 is always there. It is such a pleasure to have the bus there on time. All the people on the bus want me to thank you for looking out for us. They all agree it has been a real pleasure to ride the afternoon bus. We have even gotten one of our regular riders back now that the bus is on time. I don't know how long it will last but for now, thanks so much and have a great New Year.
